

Stay Connected + VIA APP OR BROWSER

Realm creates real ministry opportunities by making it easier for our church family to connect with each other throughout the week.

Church Calendar

Realm displays a personalized event list with a mixture of church-wide events and any events for the groups you're in.

RSVP for Events.

Realm enables you to not only RSVP for events, but to sign up to bring things, add guests, reply to comments, or add the event to your phone's calendar.

Share Memories.

Being able to post photos from group events reminds members of the wonderful bonds you are creating through the church and Christ.

9:41 Back Fortier Home Group Neil Cannon created a new event: Coffee and Jesus Neil Cannon created a new post: How is everyone's week going? How's everyone's week going so far? Not bad considering I've had a stack of puzzle's that I've been meaning to put together for YEARS now and I've completed all of them! That is awesome! I might nework on a few myself.

Maintain Your Profile.

Not only can you edit your profile information, you can choose what's visible to anyone in the church or restrict it to your group members, group leaders, or just the church staff.

Church Directory

You can browse through the entire church list and put names to faces. Please note that you can opt out of being listed or choose what information is available for others to see.

Chat with Each Other.

Thanks to Chat in Realm, you can communicate with anyone in the moment - whether it's a matter of checking in on a member or touching base with a few members within a group.
